The 50 States Journal

1. Write the name of the capital city on the line above the word "capital."
2. Draw a star or dot inside the outline of the state where the capital is located. For states that are too small to draw a star or dot, draw an arrow to the location of the capital.
3. Color the "flag" rectangle to make it look like the state flag.
4. Write the most common symbols in the "State Symbols" box.
5. Write some interesting facts about the state in the "Facts" box.
