I am Dan. I like to go to Camp Red Fox. I pack a bag when I go to camp. I pack clothes (and socks) and

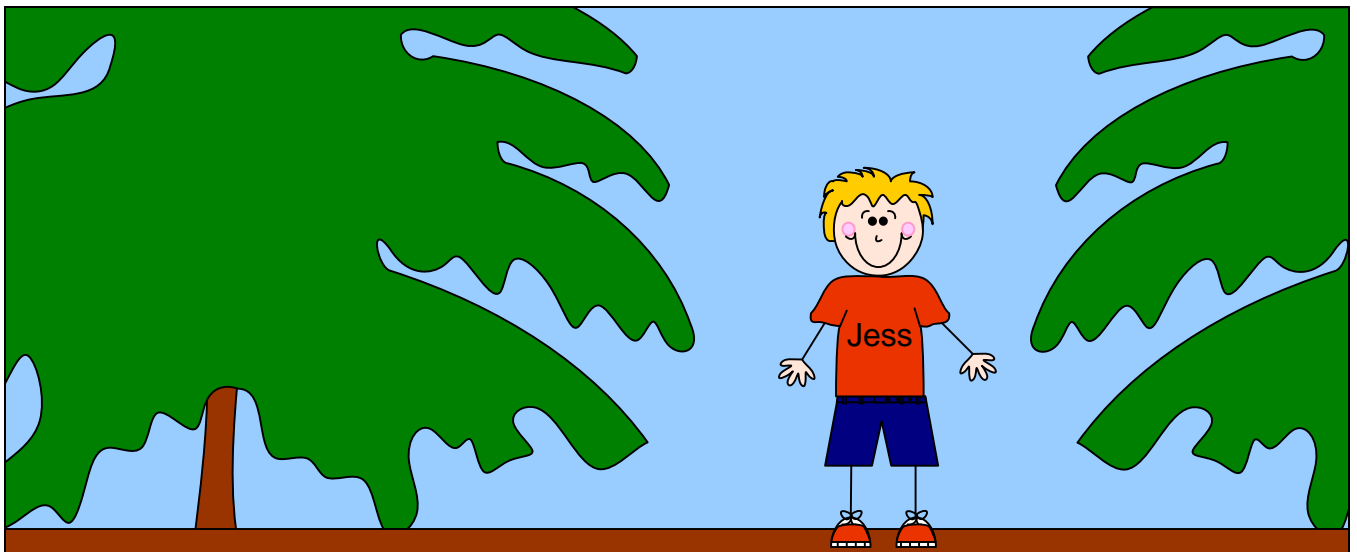

snacks. I pack a hat and a fan to have when it is hot. I  
2 fill up my bag to the top when I pack it.

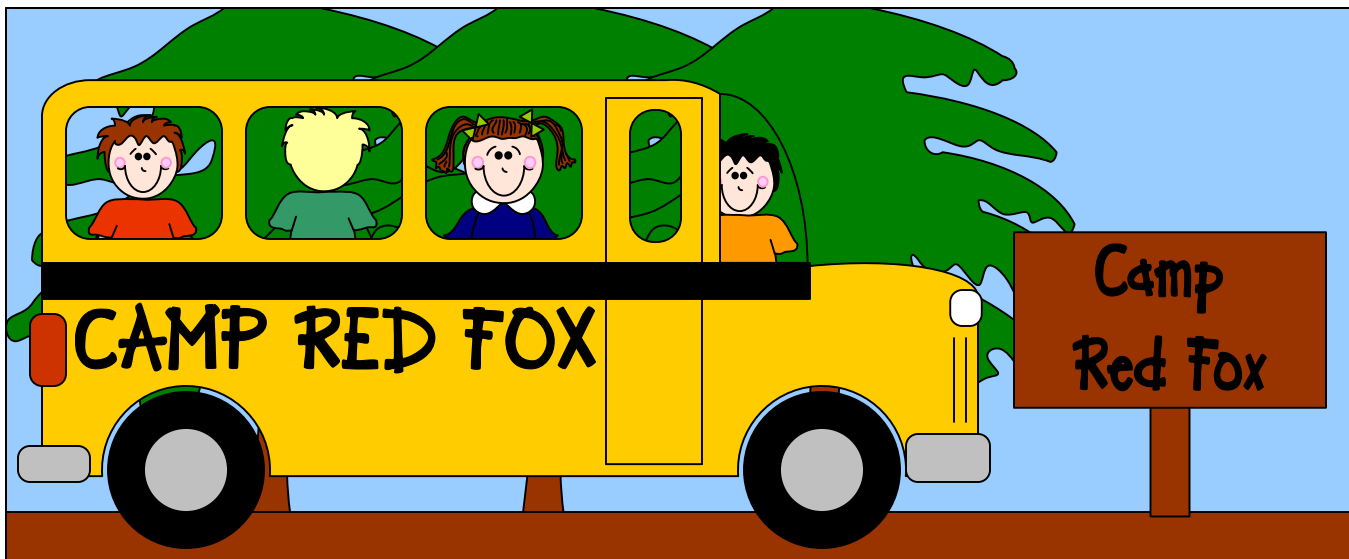

I hug and kiss my mom and dad and get on a big bus. The bus picks me up and I go to Camp Red Fox. There are a lot of kids on the bus who go to camp. Camp Red Fox is the best camp.

3

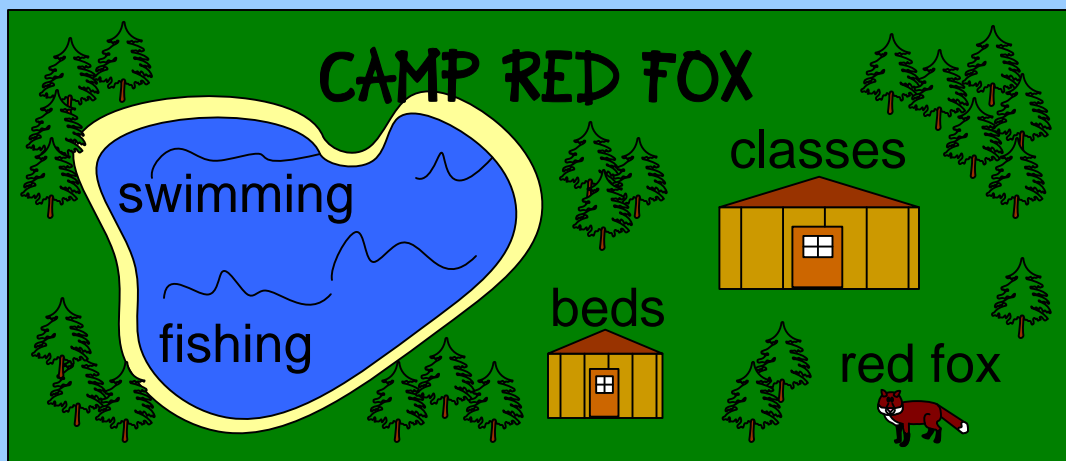

The boss of Camp Red Fox is Jess. Jess tells you when you must be where, like when you can go to the pond and when you can go to bed. Jess can help you if you want help. I like him. Jess helps the kids have a lot of fun at camp.

5

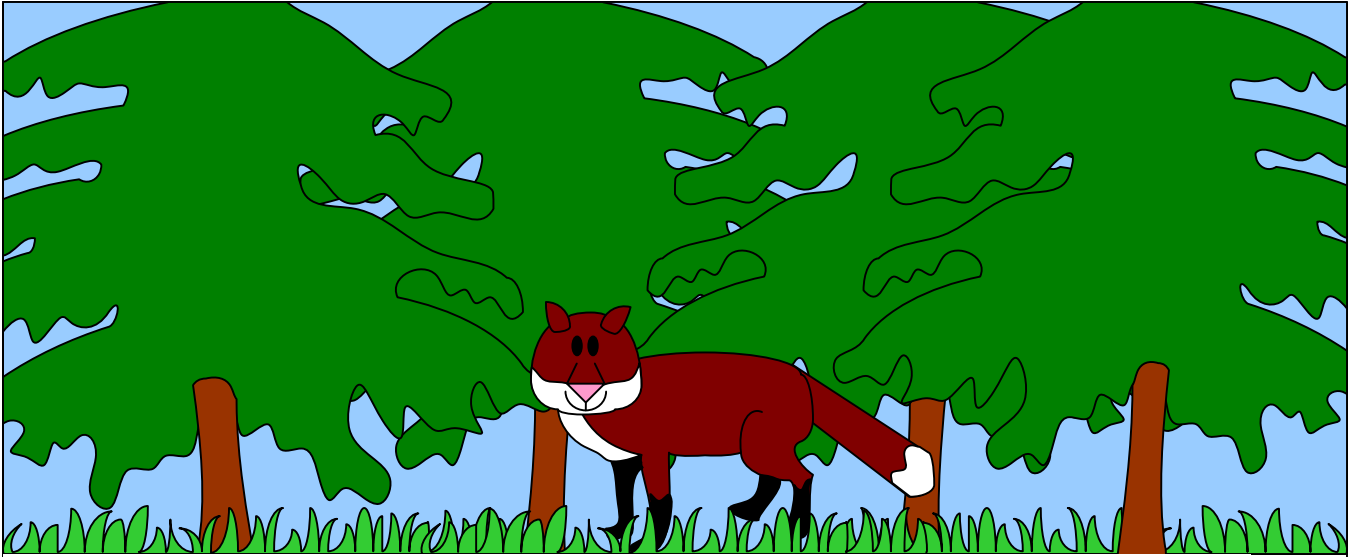

Camp Red Fox is big and fun. I like to go there. I am very happy when the bus gets to the camp.

4

When I get to Camp Red Fox I get a map of the camp to see what fun things there are to do. There are many things to do at camp. Jess helps me pick where to go.

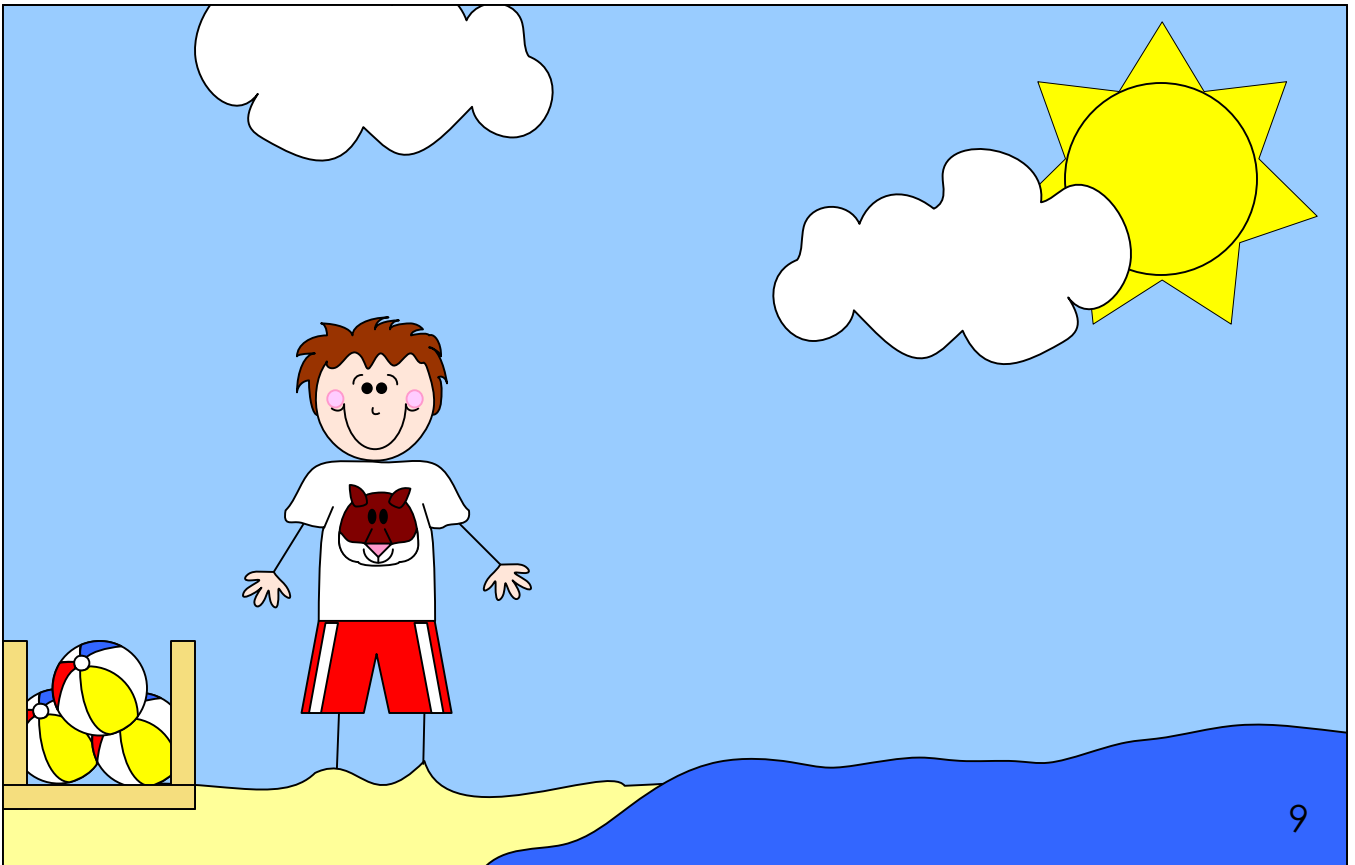

6

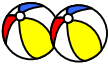

There is a pet red fox that you can see. When the fox is happy it will wag its tail. You shall not put your hand on

the fox. It is a pet, but it is still a fox.

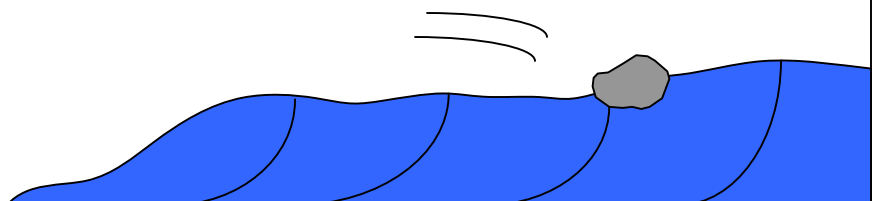

One of the best spots to go to is the pond. I like to swim in the pond. I like to swim a lot when it is hot. There is a lot of sand at the pond. I like to put my toes in the sand. It is fun to dig in the sand. There is a  box of  balls in the sand. When you want a ball to  toss in the pond you can get one from the box. It is fun to toss a ball in the pond.

8

If no one is in the pond, you can skip rocks. To skip rocks you toss the rocks on the top of the  water. The rocks hop on the top of the pond. It is a lot of fun to skip rocks on the pond.

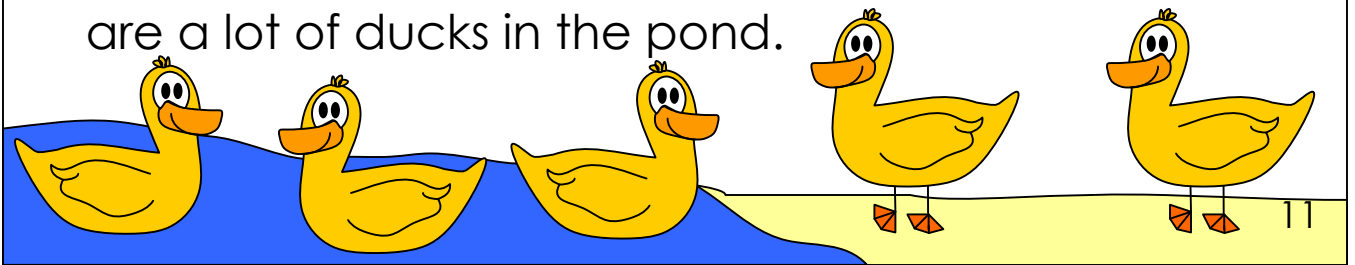

10

Next to the box of balls, at the pond, there is a raft.

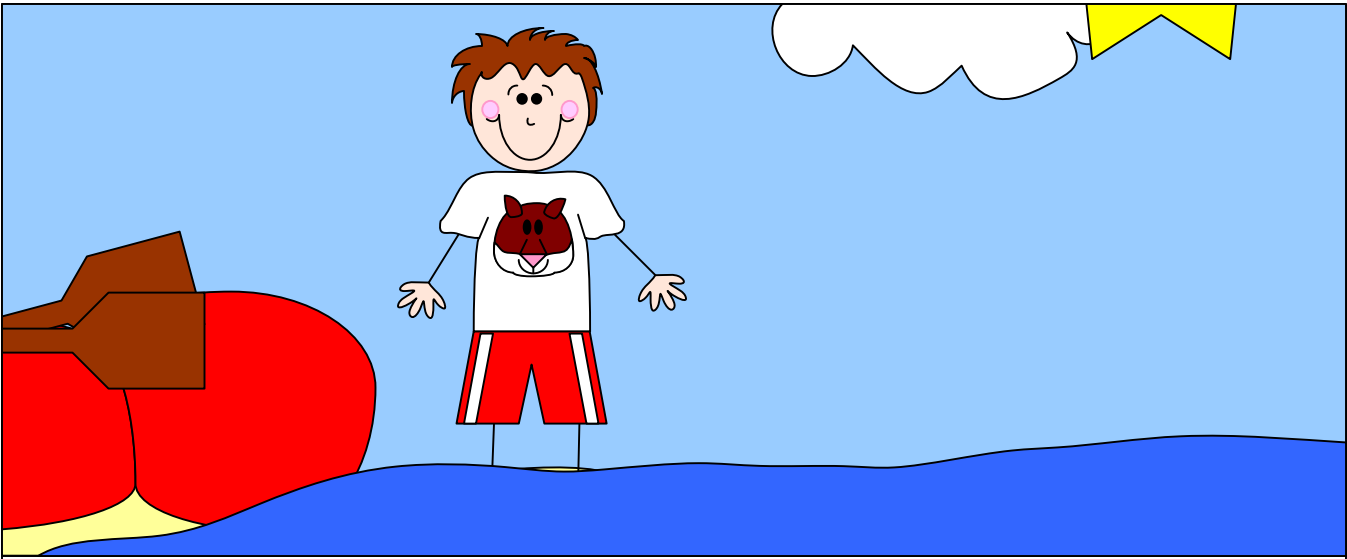

There are fishing rods in the raft. You can get in the raft and go fishing with a fishing rod. There are a lot of fish in the pond. Do not hit the ducks with the raft! Do not get a duck with the fishing rod! There are a lot of ducks in the pond.

You can go to a class where you cook. You have pots and pans to fix lunch. The kids at camp get the lunch. I like to cook with pans and pots.

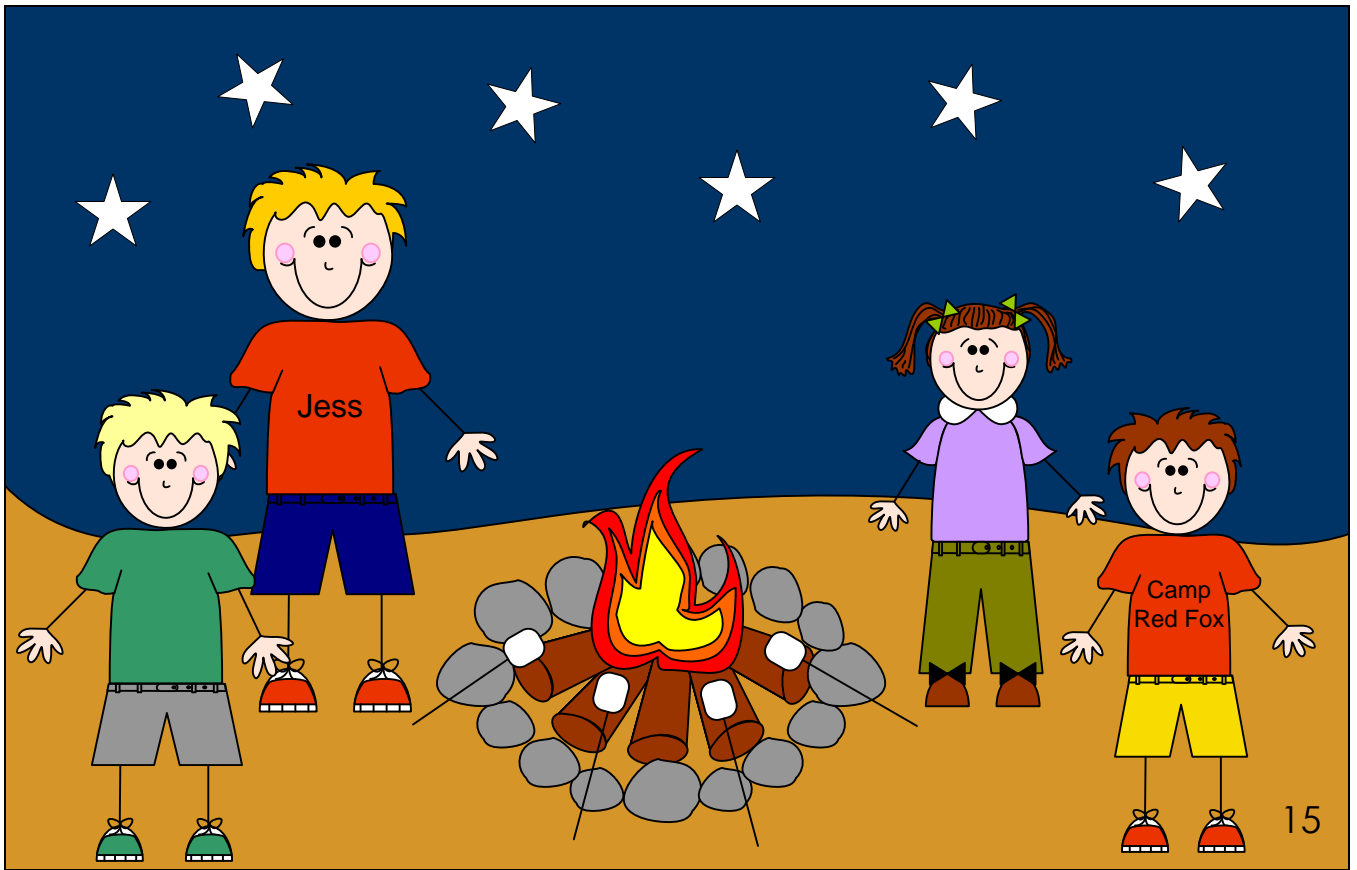

The pond is one of the best spots to go to at Camp Red Fox. There are many fun things to do at the pond.

12

At night we have a camp fire. We sit next to the fire  
    
and tell things that we like to do at camp. We tell  
things we got to do in the past. We tell things we still  
want to do. We put marshmallows on sticks and  
  
put them next to the fire. The marshmallows get  
   
hot and then we munch on them. They are very  
good.

Next to the pond there is a cabin where the beds are.

We go to the beds at night. Bugs will get in the bed if

you do not shut the door to the cabin. When I go to

bed I have a lot of things I want to tell my mom and

dad that I did. I miss them when I am at Camp Red

Fox, but I have lots of fun at camp and

do not want it to end. Camp Red Fox is

the best camp there is!
