

# First Pick Planets

©2004 Education Inspired

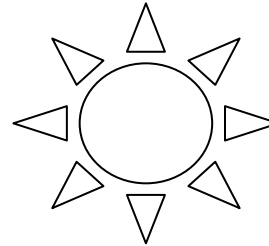

For grades 3-5; Groups of 3-6

How to Play:

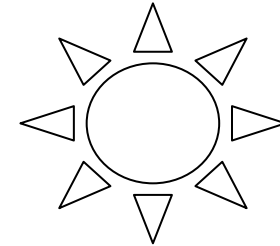

1. Remove the rules and answer key. Deal out all the cards, 10 to a player. For each number less than six in the group, remove one complete set of cards.
2. Each player needs to collect one card of each planet, and one "Sun" card. When everyone is ready, the dealer rings the bell and says "First Pick".
3. Each player trades the number of cards needed to collect one set of planets by saying, "I need four" or however many is needed. The other players will say, "I'll pick four," or offer a different deal.
4. The first player to get one set of planets lays down the cards in order from the Sun, rings the bell and says, "It's a deal!"

Answer Key: The cards must be laid down as follows: Sun, Mercury, Venus, Earth, Mars, Jupiter, Saturn, Uranus, Neptune
