

# I Know! Bingo!

## Books of the Old Testament

Write one book from the box in each square. Pick up a card and place it face up where all kids can see it. All players find the book and mark it. Put the cards used in a new pile. Take turns turning over cards until someone covers four in a row. Check the cards and the answers covered to make sure the correct answers are marked. If they are, that player wins the game.

Place the cards in the middle of the group. Pick up a card and read it out loud. All players find the book on their own papers and mark it. Put the cards that have been read in a new pile. Take turns reading cards until someone covers four squares in a row. Then check the cards and the answers covered to make sure the correct answers are marked. If they are, that player wins the game.
