Pick up a card and place it face up where all students can see it. All players find the number and mark it, but do not say the answer out loud. Put the cards used in a new pile.

Take turns turning over cards until someone covers four in a row. Then the group must check the cards and the numbers covered to make sure the correct numbers are marked. If they are, that player wins the game.

For grades 2-3; Groups of 2-6

Place the cards in the middle of the group. Pick up a card and lay it where everyone can see. All players find the number on their own papers and mark it, but don't say the answer out loud. Put the cards used in a new pile. Take turns turning over cards until someone covers four in a row. Then the group must check the cards and the numbers covered to make sure the correct numbers are marked. If they are, that player wins the game.
