©2004 Education Inspired

For groups of 1-4

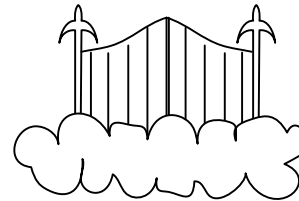

How to Play:

1. Take out the rules and cover card from the deck.
2. Shuffle the cards and spread them out in the space in front of you, making sure the cards do not overlap.
3. On each turn, try to match two cards together. Flip over one card. Then flip over another card. Match the servants with the amount of money they got paid. Match the question cards with correct answer cards.
4. When all the matches have been made, work together as a group (or on your own) to put the pairs of cards in the order they happened in the story.
