Ages 6+, Groups of 2-5
How to Play
 Shuffle the cards after removing the title and direction cards. Dealer deals 5 cards to each player.
 The remaining cards are placed face down to make a DRAW pile. Turn the top card over to make the DISCARD pile.
 The person to the left of the dealer begins. Match the card in the DISCARD pile either by sentence or picture. For example, if the first card says "Jesus loves you" with a star on it, a card with "Jesus loves you" or with a star on it can be played.
 When a card is played, the person playing reads the card

aloud. A WILD card can be played at any time. The player playing the card chooses the picture on the card that must be played next.
 If the player cannot match the DISCARD card, a card must be taken from the DRAW pile. If the card picked up can be played, it may be played immediately. Otherwise, it is the next player's turn.
 The first player to get rid of all the cards in his or her hand wins the game.

**Jesus is real and alive today.
 He wants to have a relationship with you.**
