Max is a fire dog. He lives at the fire house. He really
likes being a fire dog.

Max has two jobs as a fire dog. Every day, Max helps at the fire house or he goes to a school to teach kids about what to do if there is a fire. Max likes both of his jobs. He loves to play at the fire house with the firemen and help them if there is a fire. He loves to go to schools and see kids and teach them about fire safety.

Other times, there is a fire call. When there is a fire near the fire house, a call is made to the fire house.

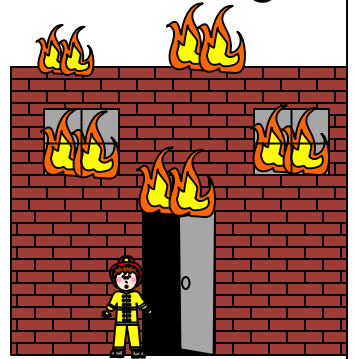

The call tells the firemen that there is a fire. All of the firemen put on their fire gear and jump on a fire truck.

When everyone is on the trucks, the trucks race to the fire to put it out.

Max jumps on the truck when there is a fire. He goes to the fire to help the firemen. He can help find people who are trapped in the fire. He shows the firemen where the people are so the firemen can get the people out of the fire.

When Max is not at the fire house, he is at a school. Max goes with two firemen out to schools to tell people about fire safety.

Max is very helpful at the fire house. He plays with the firemen. He can help when there is a fire. The firemen love to have Max at the fire house, and Max loves to be there.

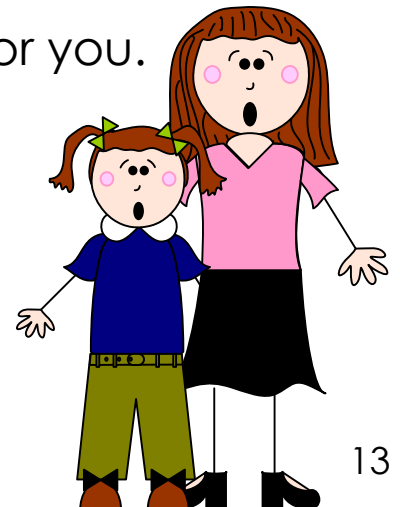

Max and the firemen show the boys and girls what to do if there is a fire. They tell them that if there is a fire, you should get down low. Smoke goes up. You need to get low so you will not smell the smoke.

If there is a fire alarm, you must get out of the house right away. Do not stop to get things. Do not stop to look around to see what is going on. Get out of the house right away.

Talk with your mom and dad about where to go if there is a fire. You need to pick a place where you can meet if you have to leave the house because of a fire. The place you pick needs to be far away from the house to be safe, but not too far. You do not want to get lost trying to find your meeting place.

Max and the firemen teach the girls and boys what to do with the fire gets on them. If the fire gets on you, stop, drop, and roll. That means you stop what you are doing. Drop to the ground. Roll back and forth to put the fire out. Do not just run around. That will not put the fire out. Stop, drop, and roll!

Max the fire dog helps a lot of people. He helps the firemen when there is a fire. He helps people who are trapped in a fire. He helps boys and girls know what to do if there is a fire. Max is a very good fire dog. He loves being a fire dog and helping people.
