

Slap It Magnetism

©2006 Education Inspired

For grades 3-5, Groups of 2-4

How to Play:

1. Take out the rules, answer key and cover card from the deck. Separate the cards by color.
2. Shuffle each set of cards and place them face down in two stacks.
3. Take turns turning over the top cards in each stack and place them side by side face up.
4. If the cards match, the first person to slap in the middle of the cards wins all the cards in the piles. For example, if the cards show "iron" and "attracted," they match because

iron is attracted to a magnet.
The match should be slapped.
Play continues until all the cards have been turned over.

5. If the cards slapped are not a match, the player who slapped the cards must give the other players each one card.
6. The player with the most cards at the end of the game wins.
