When I Read

Written and Illustrated by Jennifer Cheatham

One of the things I like to do best is read. When I have
free time, I find something I want to read.

I can do many things in my mind when I read! In fact,
when I read, I can do anything!

3

I can run fast with dogs. I can go slowly like a snail.

5

I can visit fun places like the sea, a farm, or the lake.

4

I can fly high in the sky like an airplane! I can dive down
deep in the sea.

6

I can walk miles in a race. I can do my best. I can try
again and again. I can win a prize!

7

I can sit in the hot sun. I can slide on a sled on the cold
ice.

9

I can drive a boat. I can float on top of the sea. I
can swim with the fish.

8

I can be big like a bear. I can be little like a bug.

10

I can make crafts and things with my hands. I can go places with my feet.

I can sing a pretty song. I can roar, squeak, and quack.

I can put on a handsome tie. I can put on a cape and
have a knife.

12

I can be weak. I can be mighty. I can need help. I
can help someone.

14

My hair can grow green. My feet can be yellow. I can
be anything!

I love to read, because, when I read, I can do
anything! What will I read next? What do I want to do
today?
